WHAT'S WRONG WITH THIS PICTURE?

Healthcare marketing salaries are up and workers are largely content, but the industry's troubling gender gap is getting worse — way worse

#InspireTheEnd

Our latest call for creative that moves the needle to classify gun violence as a public health crisis

\$279,426*

\$168,858*

\$.60 FOR HER

\$1 FOR HIM

haymarket

*Salaries shown are average salaries for director-and-above men (left) vs. director-and-above women (right) with 10 or more years of industry experience (n=265 and 186, respectively). Source: MM&M Career & Salary Survey 2019
